

YOUR PARTNER IN ELECTRICAL EXCELLENCE

SERVICES

Here's a cool idea ... partner with the industry expert to provide the best in precision cooling solutions! That's exactly what Shea Electric & Communications, LLC, has done in order to provide you with high-performance equipment to meet your needs. Learn how this strategic alliance will benefit your business!

LIEBERT – PRECISION COOLING

COMPANY OVERVIEW

A brand of Emerson Network Power™, Liebert offers a full array of precision cooling solutions to manage temperature control in computer rooms, data centers and other sensitive environments. For businesses around the world, the Emerson® brand stands for the ability to get big things done, through global engineering, technology, industry expertise and customer focus.

PRODUCT LINE

Liebert offers a wide range of versatile cooling solutions from high-capacity to compact – high heat density, modular, small room, large room and industrial. Telecom enclosures, heat rejection and economizer data center options are also available.

PERKS OF PARTNERSHIP

Working with Shea Electric gives you access to the comprehensive selection and layout of Liebert's quality precision cooling solutions. This partnership allows you a better understanding of the many risks high heat may pose to your electronics and provides reliable products to address them.
