

YOUR PARTNER IN ELECTRICAL AND LOW VOLTAGE EXCELLENCE

BOGEN.

Public Address • Educational Communication Systems • Background & Foreground Music Systems

SERVICES

Listen up and listen good! One way to do that is to take advantage of the new alliance between Shea Electric & Communications, LLC, and Bogen Engineered Systems. It's our mission to provide you with the best sound systems possible, so we became a certified distributor of high-performing Bogen products. See how this strategic alliance will benefit your business!

BOGEN ENGINEERED SYSTEMS

COMPANY OVERVIEW

Bogen Communications International, Inc., the parent company of Bogen Communications, Inc. and Speech Design GmbH, is a leading provider of sound systems and performance audio products for commercial, industrial and institutional applications the world over.

PRODUCT LINE

Featuring superior audio products and systems, Bogen Engineered Systems offers solutions for conventional paging, music and intercom technology and classroom voice reinforcement. The company also specializes in solutions related to time systems and professional audio for theaters and sports facilities.

PERKS OF PARTNERSHIP

With both companies focused on implementing the latest technologies, the partnership between Shea Electric and Bogen Engineered Systems allows customers the finest sound system and installation from two of the industry's leading innovators. The companies also share a common goal: focusing on the needs of the customer first.
