

YOUR PARTNER IN ELECTRICAL AND LOW VOLTAGE EXCELLENCE

SERVICES

Take advantage of this powerful concept: Shea Electric & Communications, LLC, has formed a strong alliance with Liebert, specifically the Emerson Network Power line, in order to protect your IT equipment. Helping you reach your AC Power/UPS goal is our goal. Learn how Shea Electric & Communications, LLC, and its powerful partnership with Liebert will benefit your business!

LIEBERT – AC POWER/UPS AND TRANSIENT VOLTAGE SURGE SUPPRESSION

COMPANY OVERVIEW

A brand of Emerson Network Power™, Liebert offers comprehensive AC power/UPS solutions, as well as TVSS to ensure critical IT protection. For businesses around the world, the Emerson® brand stands for the ability to get big things done, through global engineering, technology, industry expertise and customer focus.

PRODUCT LINE

Liebert computer rack systems offer all of the advanced features and innovative flexibility required to accommodate today's dense and complex IT systems and network gear. The renowned brand offers all three uninterruptible power supply (UPS) configurations: Stand-by, Line-Interactive and On-Line (Double Conversion).

PERKS OF PARTNERSHIP

With Shea Electric as a Value Added Reseller (VAR) of Liebert power solutions, you can be confident that your computers, servers and other key electrical systems are powered properly to keep your business fully operational 24/7.
